TO: HEADS OF INSTITUTIONS

VACANCIES IN THE DEPARTMENT OF HEALTH: PRINCE MSHIYENI MEMORIAL HOSPITAL
The contents of this Circular Minute must be brought to the notice of all eligible employees on the establishment of all Institutions. It must be ensured that all employees who meet the requirements of the posts are made aware of this circular minute even if they are absent from their normal places of work.

DIRECTIONS TO CANDIDATES:

1) Applicants must submit a fully completed, initialled and signed Z83 form and a detailed CV only. Sections A, B, C and D must be fully completed. Sections E, F and G may refer to the CV where applicable. The question on conditions preventing re-appointment under Part F must be answered and the declaration signed. **Only shortlisted candidates will be required to submit certified supporting documents and a Certificate of Service endorsed by Human Resources.**

2) Only the new Z83 Application for Employment form, effective from 01 January 2021, will be accepted. The form is available from any Government Department or from the KZN Department of Health or DPSA websites. The reference number and position applied for must be clearly indicated on the Z83 form.

3) **The appointments are subject to positive outcomes obtained from the State Security Agency (SSA) to the following checks (security clearance (vetting), criminal clearance, credit records, citizenship), verification of Educational Qualifications by SAQA, verification of previous experience from Employers and verification from the Company Intellectual Property Commission (CIPC).**

4) All shortlisted candidates, including SMS candidates, shall undertake two pre-entry assessments, namely a technical/practical exercise and an Integrity (Ethical Conduct) Assessment. The Selection Panel shall score the assessments as additional criteria in the interview process. For SMS posts, candidates must successfully complete the SMS Pre-entry Programme (Nyukela) at their own cost. A maximum of three (3) SMS candidates may undergo psychometric assessment following the technical exercise and interview.

5) The successful candidate will be required to sign a performance agreement within three months of appointment.

6) Due to the anticipated high number of applications, applications will not be acknowledged. Correspondence will be limited to shortlisted candidates. If you are not contacted within two months after the closing date, please consider your application unsuccessful.

7) **African males and persons with disabilities from all designated race groups are encouraged to apply.**

8) No subsistence and travel (S&T) payments will be made to candidates attending interviews.

9) Applicants with foreign qualifications must have their qualifications evaluated by SAQA and provide proof of the evaluation where required. Failure to comply may result in the application not being considered.

10) The Department reserves the right not to fill the post(s).

Failure to comply with the above requirements will result in disqualification.

(This Department is an equal opportunity and affirmative action employer committed to promoting representivity at all levels and across all occupational categories.)
